

# 11<sup>th</sup> ANNUAL

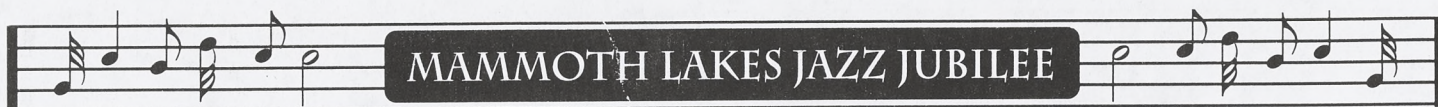

## '99 Jazz Jubilee

MAMMOTHLAKES

# JULY 8-11, 1999

# Welcome from Ken & Flossie

By Ken Coulter and Flossie Duff

*Co-Directors of the Mammoth Lakes Jazz Jubilee*

Here goes the 11th chapter in the saga of the Mammoth Lakes Jazz Jubilee. We welcome each and every one of you, whether you are a first-timer or a veteran.

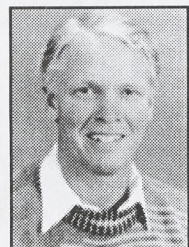

We are so proud of our community and the wonderful people who make up our population. Over 500 of them are volunteers (that's 10 percent of our population!), and we now have 60 managers. This event would be impossible to put on without them.

*Co-Directors, Ken Coulter and Flossie Duff*

## Mayor's Welcome

On behalf of the community of Mammoth Lakes, I would like to welcome all of you to our 11th annual Jazz Jubilee.

As a small town we are very excited to have such an event. And whether you are a visitor or a resident of the beautiful High Sierra, I hope that you will enjoy this year's Mammoth Lakes Jazz Jubilee.

Have a fun-filled, music-filled stay, and enjoy the hospitality of our sponsors and staff.

Respectfully,  
John Eastman  
Mayor of Mammoth Lakes

The new bands are welcomed here, too! Lance Buller and the Monarchs is a band of pros from Seattle. They play hard and swing hard with everything from Dixie to Swing.

The Phil Norman Tentet are all first-call jazz and studio players from Los Angeles. They play big band charts of the '50s and '60s West Coast Jazz Era, plus some of the great standards. You can dance or just sit back and enjoy these wonderful players.

Mr. Jack Daniel's Original Silver Cornet Band, High Sierra Jazz Band, and Igor's Alumni-Reunion Band return by popular demand after a year's absence.

We know you will have a great time at the Jubilee, but there are other things to see and do here in Mammoth Lakes. We hope you take advantage of all the wonders of this beautiful area.

And, thanks for joining us this year! *MLJ*

# SHUTTLE INFO

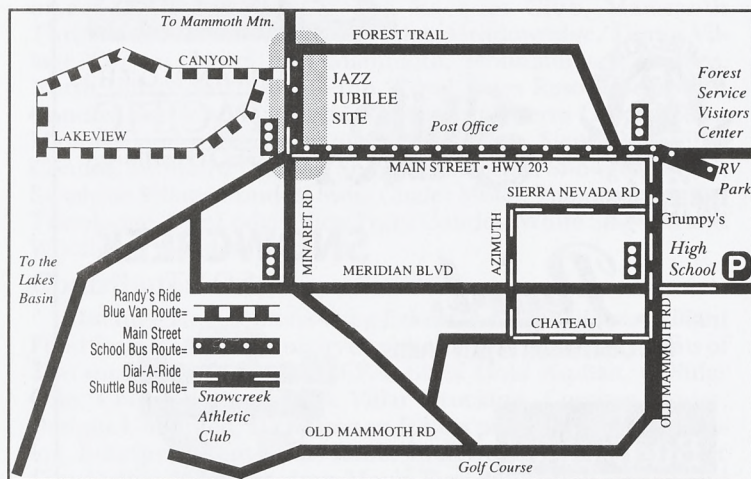

## Think Before You Drink: Take It Easy!

For those of you unfamiliar with the altitude here in Mammoth Lakes — take it easy! At 8,000 feet, you and your body will react to things differently. Specifically, be careful when drinking alcohol.

Consuming two beers at a high altitude will affect you very differently than at sea level. **DRINK PLENTY OF WATER** to avoid excessive dehydration, and should you become unable to drive, take advantage of the free shuttle bus. If you live outside the shuttle route, contact a site manager, who will find you a ride home.

Safety always comes first!

Also, should minors approach you to buy them alcohol, please refrain from doing so, and report the incident to a jubilee official. *MLJ*

## INDOOR VENUES

# More Hot Jazz Inside Local Businesses

In addition to the six tented venues at this year's 11th annual Mammoth Lakes Jazz Jubilee, there are over a dozen indoor venues featuring a variety of entertainment.

While most of these indoor venues are quaint restaurants, intimate cafés, and popular bars, we are again including the RV park facility as an indoor site.

Expect the RV park to be jumping both Friday and Saturday evenings with a variety of bands. Check out the site schedule for all the details. This venue is located one block east of McDonald's on Hwy 203, on the right as you are heading back towards U.S. 395.

The upstairs bar inside of Whiskey Creek (located at the heart of the jubilee) will be busy throughout the festival. Performances and special events are scheduled to take place on this famous stage Friday from 6 p.m. to closing, Saturday from 12 noon to closing, and Sunday from 11 a.m. to about 3:45 p.m.

Back by popular demand is the Pianorama. This event will be held inside Whiskey Creek on Saturday from 12 noon to 5 p.m. Please refer to this year's site schedule for a complete listing of who will perform when at the Creek.

The Matterhorn and Nevados, also located in the Jubilee hub, are pleased to again host special banjo events on Saturday. The infamous no-host Banjo Brunch will strum it up from 10 a.m.-

noon at the Matterhorn, while Nevados will offer a Banjos and Cocktails (Guitars, too) affair (also no-host) from 4:30-6:00 p.m. Expect a variety of delicious food at both restaurants!

Ryan's Raiders and the Rhythm Cats will be making the rounds of many local eateries and taverns Friday through Sunday. Among the many sites these two bands have performed in the past are Perry's Italian Café, Ocean Harvest, Old Mammoth Grill and Bar, Giovanni's, Alpenrose, Good Life Café, Chicken-Pizza Works, the Stove, Angel's, Slocums, Roberto's, and the Breakfast Club.

For a complete schedule of Ryan's Raiders and Rhythm Cats performances at the various indoor venues, please check each band's own schedule in the biography section of this program.

It's true, the spirit of the Mammoth Lakes Jazz Jubilee began 11 years ago with only one outdoor site. Now the entire town seems to have jumped on the Jubilee bandwagon.

Remember that many of these indoor locations are fairly small, and seating may be limited. Arrive early so you don't get turned-away at the door.

And also remember, **your all-jubilee badge does not guarantee you a seat at all events at all times.** If a site is full, please ask a site manager to check and see which sites are not full.

**Please note that indoor venues accept only cash or credit cards for purchases. Wooden dollars are good at outdoor sites only.** .MLJJ

## Jazzy T-Shirt Raffle

**Your chance to win a 27-inch color TV, a CD portable stereo, or two American Airlines tickets in the continental U.S.**

One of the most popular souvenirs available at the Mammoth Lakes Jazz Jubilee is the Jazzy T-shirt! Not only is this T-shirt beautifully designed each year, but also every shirt is individually numbered to represent the purchaser's chance in a huge raffle. Buy a Jazzy T-shirt, fill out attached entry card and enter it into the raffle. Buy two, and your chances increase.

The Jazzy T-shirt actually went on sale over a month ago at various local businesses. Since early June, weekly raffles have generated excitement about the Jubilee. Prizes, such as gift certificates and merchandise, have already been given away.

Best of all, profits from the jazzy T-shirt raffle go directly back into next year's jazz jubilee fund, so join in the fun!

Come the festival's final hours, each entrant will be tossed back into the hat for the grand prize drawing of two tickets on American Airlines to anywhere in the continental U.S.; or the first prize of a

27-inch color TV. Another top prize is a CD portable stereo. (Prize pickup is in the back of the Woods Site.) New this year is a prize of a three-day, two-night stay at the Silver Legacy Resort Casino in one of their spa suites.

You can't win if you don't play, so be sure to buy your Jazzy T-shirt at the Woods Site T-shirt booth. Fill in the attached entry card and hand it to the jubilee volunteers in the booth.

Even if your number is not called for the grand prize, there are many other great prizes to be won and, of course, a beautiful Jazzy T-shirt will commemorate the event. *MLJJ*

 Saturday Badge: ..... \$30  
 Sunday Badge: ..... \$20  
 All-Jubilee Youth Badge

## First Aid

\*The first aid station will be set up near the Woods Site on Minaret Road. If you need help, notify any site manager (wearing red vests) and he or she will radio the nurses and paramedics on duty. Call 911 for all other emergencies in Mammoth Lakes.

## For Your Information

\*Have a great time and please cooperate with the following guidelines which will help make the jubilee more enjoyable for all:

\*Because we are in a **high fire-danger area**, there is **no smoking** at any site except in the designated areas; look for the signs.

\*Be careful crossing all streets. Use crosswalks. Be aware that Minaret Road is very busy, so try to stay inside the walking lane.

\*No seat saving once show begins. Not even with your seat cushion! We want to provide chairs for as many people as we can. After the performance has begun, site personnel have been instructed to seat all people without seats. If one location is filled to capacity, please try the other sites. **Indoor venues have limited seating. Early arrival is suggested.**

\*Check the area around your seat before you leave so you don't forget anything.

\*Lost and found will be located in the main ticket booth at the Woods Site.

\*Recycle cans and bottles in the marked trash containers. Proceeds will go to local high school clubs.

\*Those using a parasol or umbrella, please be cognizant of the direction and sight-blockage it is taking. Also, please use caution and be careful not to poke anyone; these do hurt when they accidentally come in contact with people!

\*VCR recorders will be allowed in designated areas only. Elaborate tape recorders are not allowed. Small, hand-held audio-recorders are permitted.

*All of our volunteers survived last year's Jubilee! This year his arm's in a sling!*

\*Dancing on designated dance floors will be at the following sites: Bear Pit, Canyon, Woods, Yard, Whiskey Creek, Church, and Grumpy's Tent. Special black-and-white floors at the Woods and Yard sites are for children to dance. Please don't dance in front of the audience; everyone wants to hear and see the bands. Even though the spirit may move you, please do not dance on the sawdust or bare dirt; it kicks up a lot of dust and is hard on the musicians, as well as others.

\*Sshh! Please hold it down! If you must talk and socialize, please go to an "outer area" so you don't disturb people who are trying to listen.

\*Restrooms are provided at each venue. Look for signs or ask site personnel.

\*One-way traffic on Minaret. During the 1999 jazz jubilee, Minaret Road will again be designated for one-way traffic, going uphill. This one-way traffic feature will begin Friday, July 9, and last through Sunday, July 11. Be sure to read signs and watch where you park. There will be a clearly marked route to loop around, however, it will be a long loop. See map in this program.

\*Parking will require "common sense." It will be limited, so please use the free shuttle, walk, or ride a bike. The Whiskey Creek lot, the Community Center lot on Forest Trail, the dirt lot next to Travelodge, and the old town yard lot off of Berner Street (behind the Yard Site tent) can all be used for off-street parking. Please do not block parking spots designated for band members. And always follow the directions given by volunteers and signs. Again this year there will be auxiliary parking at Mam-

moth High School. The MHS parking lot will be serviced by our Jazz Jubilee free shuttle bus. Please see map in this program to find location and pickup times.

\*Alcoholic beverage policy. Any beverage you purchase at one of our food/drink booths may be taken out of an outdoor site, transported down the street, and taken into another outdoor site. Please note: California law DOES NOT allow open containers of alcohol in cars—DO NOT TRANSPORT YOUR JUBILEE-PURCHASED ALCOHOLIC BEVERAGE IN A CAR. The jubilee's special alcoholic transport law is only for walking from venue to venue, not driving, and only applies to beverages purchased at one of our outdoor sites.

Sorry — still no coolers, thermoses, etc., allowed.

This beverage law is on a yearly trial basis with the ABC. Please help us with this so we may continue this policy in the future. Thank you for your cooperation. Remember, this applies to our outdoor venues only. Please do not take beverages in or out of Nevados, Matterhorn, RV Park, Whiskey Creek, or any other indoor site.

\*Wooden dollars will be used as payment for food and drinks in the six outdoor sites only. The one exception: The Sunday night program at Grumpy's Tent (Goodbye '99 Jubilee) will only take cash. Be sure to spend your wooden dollars prior to 5:30 p.m. Sunday evening!

Most indoors sites will accept cash/credit card only, with exception of the RV park.

At the entrance to the Woods Site, you may purchase wooden dollars with a cash or credit card (minimum \$20 purchase with credit card). All other outdoor sites will take only cash or checks for the purchase of wooden dollars.

If paying by cash or check, there is no minimum: you can buy from \$1 up.

Also, look for Mammoth Lakes Jazz Jubilee chip girls, who will be walking around selling wooden dollars at three sites: Church, Woods, and Yard.

Please buy only the "dollars" you need as there is a no-refund policy.

## Most of All, Enjoy!

This has been a community effort from the beginning, so please patronize our food booths (most are run by local, non-profit organizations), and souvenir tables, as well as our town's restaurants and shops. We have some great small town eateries. Be sure to pick up the local dining guide.

\*Do have a good time, and we hope to see you next year! MLLJ

## SPECIAL EVENTS

# SPECIAL EVENTS, New Events, Old Favorites

The Mammoth Lakes Jazz Jubilee is a special event in itself, however, year after year, several "special" special events fill-up the schedule. Many of these "special" special events have been around for years, while others are new to everybody.

The first special event is an afternoon of free previews. This takes place the first day of the Jubilee, Thursday, July 8. This year, free previews will run from 3-7 p.m. at the Woods Site, and from 3:30-6:30 p.m. at the Canyon Site.

Revving up the crowds at the Woods will be host band, Temple of Folly, followed by Chicago Six, the Jazz Camp Professors, and Side Street Strutters. Each band will serve up about 45 minutes of music — just enough to whet your appetite of things to come.

Over at the Canyon Site, the Jazz Camp/Youth Band will show you what they've been learning at camp, followed by Ryan's Raiders and Miss Aggie's Jazz Dancers. This is the only performance by the dancers, so don't miss a beat of their talented feet. All three of these sets will be approximately 45 minutes as well.

Later that evening, the fun continues at the Woods Site and at Grumpy's Tent. In year's past, Thursday evening preview shows have been part of the free previews, however, this year you will need an "all-jubilee" badge to get in, or you can purchase a special Thursday night entry badge for only \$5.

So who is on tap to perform Thursday night? The always entertaining Side Street Strutters will play from 8:15-9:15 p.m. at the Woods Site, followed by the wild bunch known as Tom Hook and the Swing Cats Ball, from 9:30-11 p.m. And at Grumpy's Tent, Wooden Nickel Jazz Band will heat up the tent from 8-9 p.m., followed by the great Blue Street Jazz Band at 9:15 p.m. for one hour and Cajun-style musicians, Gator Beat, from 10:30-11:30 p.m.

Free afternoon sneak peaks. Thursday evening wildness. What a great way to start off a fabulous weekend of jazz!

Badges are required to get into all remaining Friday through Sunday regularly-scheduled performances. The Goodbye '99 Jubilee party now demands a \$5 cover charge if you don't have an "all-jubilee" badge. That party, as usual, is held at Grumpy's Tent beginning at 8 p.m., Sunday, July 11.

New this year is a Jazz "Junque" Swap Meet where you can buy and sell all the jazz memorabilia you can dig up. It takes place in the parking lot of Nevados Saturday, July 10 from 9 a.m. to 12 noon. Jubilee badge holders can rent a swap meet table for just \$20.

Also that day, Saturday, July 10, the Jubilee will offer swing dance lessons at the Yard Site. This wonderful new jubilee feature begins at 10:45 a.m. for one hour. Come learn all the best moves, or show off your already honed dancing skills at this unique, new event.

There are always many sets dedicated to various jazz artists and styles. On Friday, July 9, check out Chicago Six' set called "Precocious Percussion." This event features several drummers and has been a hit for several years, so don't miss out. It takes place at the Woods Site from 5-6 p.m.

At the Woods Site Friday, July 9, is a three hour "Mardi Gras" set with music from Blue Street Jazz Band at 7:30 p.m., Tom Hook and the Swing Cats Ball at 8:45 p.m., and Gator Beat at 10 p.m.

Over inside Whiskey Creek, Bob Draga and Jeff Barnhart will join forces and entertain crowds from 6-7 p.m. Later, the duo will join A Fifth of Mr. Jack Daniel's Original Silver Cornet Band for an uplifting hour of collaborative jazz from 10-11 p.m., also inside the Creek.

And that's only the Friday special event wrap-up.

Saturday's special features include the above mentioned Jazz "Junque" Swap Meet and swing dance lessons, as well as the now famous no-host Banjo Brunch and no-host Pianorama, along with the Banjos and Cocktails (Guitars, too) event, also no-host.

The no-host Banjo Brunch is scheduled for Saturday, July 10, at the Matterhorn restaurant from 10 a.m. to 12 noon. The Jubilee's hottest banjo players will strum up a storm in various sets. Over at Nevados that afternoon from 4:30-6 p.m., more wild banjo playing will occur during the no-host Banjos and Cocktails (Guitars, too).

The no-host Pianorama gives the Jubilee's talented pianists a chance to show their stuff. This awesome special event will occur inside Whiskey Creek on Saturday, July 10, from 12 noon to 5 p.m. Of course, Whiskey's excellent food and beverages will be available.

Back by popular demand for the third year in a row is the Musical Instrument Petting Zoo. This year, it will be held at the Bear Pit on Saturday, July 10. Zoo hours are from 12:45-3 p.m.

The Youth/Jazz Camp Band will give its final performance of the '99

Gettin' rowdy on the "adult" dance floor.

jubilee at the Bear Pit, July 10, from 5:45-8 p.m. These are very talented, young players who are sure to delight and entertain.

Another new special set, Three Guitars, will feature three world-famous jazz guitarists: Larry Koonse, his father Dave Koonse, and Mundel Lowe. They will be strumming away at the Canyon Site, Saturday, July 10, from 1:30-2:30 p.m. A Fifth of Jack with Draga and Barnhart is poured at the RV park that same night beginning at 9:45 p.m.

Chicago Six will salute Duke Ellington's 100th Birthday at the Church Site July 10 at 3:30 p.m., and Mr. Jack Daniel's Original Silver Cornet Band brings it home during a Hometown Saturday Night set at 7:15 p.m., also at the Church Site. The Side Street Strutters will immediately follow with a New Orleans set beginning at 8:30 p.m. at the Church.

Over at the Woods Site, Saturday, July 10, there are several special goings-on, including Jack Daniel's and Bill Allred, who team up for a morning set at 10 a.m. Later, Bob Draga joins Mr. Jack Daniel's Original Silver Cornet Band for a Rhapsody in Silver set at 3 p.m.

The always popular Brass Blast is also planned for the Woods Site with Temple of Folly at 4:15 p.m. Later that night, the Big Band Bash includes two sets with an intermission and will feature members from several bands beginning at 8:15 p.m. Terry Myers will be the leader of the 18-piece band. (See the featured article in this program about this wonderful event.)

Igor's Reunion-Alumni Band will pay tribute to Gene Autry and Roy Rogers with a special set at the Woods Site Saturday, July 10 at 10:30 p.m.

More fun is on tap for Sunday, July 11, beginning with a Hymn-a-Long from 8:30-9:45 a.m. led by Night Blooming Jazzmen at the Yard. Over at the Bear Pit at 9:45 a.m. is the Jazz Camp Graduation. High Sierra Jazz Band performs a gospel set at the Canyon Site at 10:15 a.m., and at 10:30 a.m. at the Church Site, New Reformation will also lead a gospel set followed by Lynchburg Sunday with Jack Daniel's crew at 11:45 a.m.

More gospel sets are on-line from Igor's Alumni-Reunion Band and Blue Street Jazz Band. Igor will be at the Woods at 10 a.m. and Blue Street will be at the Yard, also at 10 a.m.

Chicago Six performs a semi-gospel set at Grumpy's Tent beginning at 1:15 p.m.

A couple of collaborations are in order, too. Blue Street and Wooden Nickel get it together at the Woods from 12:30-1:30 p.m. and Beth Chorneau's group joins her father's Temple of Folly at 3 p.m., also at the Woods Site.

It'll be Christmas in July with Mr. Jack Daniel's Original Silver Cornet Band at the Yard at 1:45 p.m.

The Grand Finale is Sunday afternoon at the Woods from 4:15 p.m. on. This exciting finale will be headed and orchestrated by Bob Draga and Chet Jaeger.

And as mentioned above, the Goodbye '99 Jubilee shindig at Grumpy's Tent is set to begin at 8 p.m. with music from Tom Hook and the Swing Cats Ball. This is a wild and crazy night; best be there early, since it always fills up.

Be sure to stop by to say good-bye to the 11th Mammoth Lakes Jazz Jubilee. Remember,

you will need your "all-jubilee" badge or a \$5 cover charge to get into the Goodbye '99 Jubilee party. *MLJ*

# Big Band Bash with Terry Myers

**Saturday, July 10, 8:15-10:15 p.m.  
at the Woods Site**

Terry Myers will again bring his big-band charts to the Mammoth Lakes Jazz Jubilee all the way from Orlando, FL. All of those familiar tunes you love are sure to be included.

Many of the world-class players from other bands performing here this year will join Myers and put on a show to be remembered. Since not many big bands exist anymore, we encourage lots of players to participate. To emphasize how good they are, the players don't rehearse before the performance, they just sight-read and swing!

Myers brings out the best in all of them. Be sure to stop by for at least part of this two-set event. *MLJ*

# LIGHTS, CAMERA, ACTION: Jubilee to Be Filmed Again

For the sixth year in a row, a film crew (graduates of the USC Graduate School of Cinematography and Television) will be at the Mammoth Lakes Jazz Jubilee making a documentary film.

The project is a combined effort with GOAL Productions, which over the years, has produced several videos about the jubilee, including "More Jazz Up High," "Jazz in the High Sierra," "Mammoth Encores," and "10 Years Old and Still Going Strong." These and other videos are on sale at the souvenir tent in the Woods Site.

Although based on the Jubilee and how a small town puts on a major event, the film will also feature the beautiful setting and surrounding sights of Mammoth Lakes. Jack Oswald is in charge of the production, and will be happy to answer any of your questions.

*If you are chosen to be interviewed, please cooperate and tell them why you love Mammoth and this Jubilee.* MLJJ

## And the Survey Said...

Results from the 1998 Mammoth Lakes Jazz Jubilee survey are in! Over 1,700 people completed the survey, with the following results:

- 1,371 of our 1998 jubilee guests were Californians. More than 325 were from outside of California, including 18 other U.S. states and two foreign countries.
- 657 of the almost 1,700 who answered the survey were first-time guests to our Jubilee. 81 of you had been to all 10!
- 89 percent of you came to Mammoth Lakes especially for the jazz jubilee.
- 200 of the people who answered the survey attend at least five jazz festivals each year; 682 planned to only attend Mammoth in '98.
- 63 percent stayed in a local condo or hotel. Others stayed at B&Bs, the RV park, with friends, or they camped out.
- 99 percent said they would return to the 1999 jazz jubilee (are you all here?).
- 99.5 percent said they would tell a friend about the Mammoth Lakes Jazz Jubilee.
- 84 percent were between 50-79 years old. 13 percent were between the ages of 10-49 years old.

To tell us more about yourselves this year — be sure to fill out the '99 survey for a chance to win two badges for the year 2,000 Mammoth Lakes Jazz Jubilee! MLJJ

## Jazz Jubilee Camp Celebrates 5th Year

One of the best ways to keep jazz alive is to keep young musicians swinging. Here at the Mammoth Lakes Jazz Jubilee, we attempt to do so by offering a week-long camp devoted to teenagers and to jazz.

This July, the annual Mammoth Lakes Jazz Jubilee Camp celebrates its fifth year, and is again being held in conjunction with the Mammoth Lakes Jazz Jubilee. Currently underway for students in junior high school and high school (ages 13-17), the camp began July 4 and runs through July 11. It is a unique opportunity for young musicians who want to learn all elements of jazz, and who wish to perform at a major jazz event.

The camp is not for simply learning how to play an instrument; it's for learning how to play jazz! Professional musicians and educators are providing the students with playing experience, not just classroom experience. And, to top it off, this jazz camp gives young musicians an opportunity to perform throughout the Mammoth Lakes Jazz Jubilee. (Look for them as the Youth/Jazz Camp Band on the schedule.)

Emphasis in the camp is on improvisation, instrumental technique, harmony and scales, creating jazz solos, improvising ensemble parts, and learning to play from music and by ear. Several different jazz styles are entertained at the camp.

Bill Dendle of the former South Market Street Band is the camp administrator. Several other instructors are expected to join in the experience, including Rusty Stiers, "Fast" Eddie Erickson, Jim Buchmann and Dave Gannett, as well as Ed Metz Jr., one of the top drummers in the world. A former intern, Jason Wanner, is now a regular instructor at the 1999 jazz camp.

In addition to performances by the jazz camp students, be sure to catch all the Mammoth Lakes Jazz Camp instructors at this year's jubilee. They will be performing as the Professors. Check the schedule for time and locations.

In past years, the camp has drawn students from all over the state, as well as Salt Lake City, Utah; Nogales, Arizona; and Sun Valley, Idaho. They are all anxious to perform for you at this year's Mammoth Lakes Jazz Jubilee. *MLJ*

## Jubilee Sends Students to Jazz Camp

Each year, the Mammoth Lakes Jazz Jubilee and the Music Society of the Eastern Sierra donate money to send local students to jazz camp.

Part of the funding is made possible by the jacket raffles held at each jubilee. "Racy," one of our souvenir vendors at the Woods Site, donates a satin jacket each year, for which we sell raffle tickets at \$1 each.

Be sure to purchase at least one raffle ticket and contribute to this worthwhile scholarship fund. Who knows, you may even win a snazzy new jacket. *MLJ*

## 3rd Annual Musical Instrument Petting Zoo

Saturday, July 10, 12:45-3 p.m.  
at the Bear Pit

Many of the people who attend festivals have never even touched a musical instrument, much less played one. Two years ago, we thought it

would be fun to have a Musical Instrument Petting Zoo, featuring many of the instruments used at the Mammoth Lakes Jazz Jubilee, and boy was it a huge success!

Kids, adults, musicians, and non-musicians all tried their hand at the many instruments available with avid enthusiasm. We hear some people have since taken up their favorite instrument. The instructors sure got a kick out of it, too.

This year, we are holding the Instrument Petting Zoo at the Bear Pit, so stop by and hold, blow, beat, or simply pet these musical instruments. Mouth pieces and reeds will be sanitized after each use.

Best of all, jazz camp students and musicians participating in the Jazz Jubilee will be there to teach you how to hold and pucker. All ages are welcome to the petting zoo, and feel free to ask questions or ask for demonstrations from our young campers.

This event is free, however, there will be a donation jar to benefit the jazz camp. *MLJ*

# What's New at This Year's Jubilee?

Every year, we add a little here, change a little there, revise a policy, or modify a special event. For those of you returning to the jubilee, we want to let you know what's new and different about this year's festival.

All of the items listed below are covered completely in various articles throughout the program. So read on to discover our very latest efforts in making this the best Mammoth Lakes Jazz Jubilee ever:

1) Jazz "Junque" Swap Meet, Saturday, July 10, from 9 a.m. to 12 noon in the parking lot of Nevados. Come check out all the best jazz memorabilia compiled in one place! If you've got stuff to unload, this is the place to do it!

2) Swing Dance Lessons, Saturday, July 10, from 10:45-11:45 a.m. at the Yard Site. Learn the most popular swing dance steps from the pros. Or show off your own dancing skills at this fun social event!

3) There will not be a tent at Whiskey Creek this year. All events taking place at Whiskey are being held inside at the bar area upstairs.

4) Grumpy's Tent will be set up in the parking lot of the old Village Sports Center, across the street from the old Grumpy's bar and restaurant. All jubilee events at Grumpy's take place in this tent.

5) Thursday evening performances are not free this year. You will need an "all-jubilee" badge or pay a \$5 cover charge to get into the Woods Site (begins at 8:15 p.m.) and Grumpy's Tent (begins at 8 p.m.). Thursday afternoon performances (3-7 p.m. at Woods and Canyon sites) are still free previews.

6) The Goodbye '99 Jubilee is no longer a free event. An "all-jubilee" badge or a \$5 cover charge will be required to enter the party, which takes place at Grumpy's Tent, Sunday, July 11, at 8 p.m. *MLJ*

## Our Philosophy

### Still jazzing after all these years...

Any real jazz festival can't be simply a collection of concerts. It must be a thing unto itself, an entity beyond the individual performances, beyond the individual programs, and greater than the sum of these.

The point of a festival is to be festive. To give and receive joy and to present a wide diversity of styles and types of music in as festive and pleasant a surrounding as possible.

To be successful as a festival the grounds, the concerts, the musicians, the patrons, and the atmosphere all have to jell together to be something more than one can find elsewhere.

This is what has happened in Mammoth Lakes.

A jazz festival should be the best possible combination of enjoyment one can devise. Organization and improvisation, lyricism, strength, euphoria and the blues, individuals and groups, the scream, the cry, and the whisper: It should all be there for you.

A festival, like music, is to be experienced. It is interesting, but not essential to know things about music and about the musicians. The music is enough by itself; so is the setting; and so, too, are the people there.

All together, these make up one of the best things about being here, even if it only happens once a year. *MLJ*

## Music Society of the Eastern Sierra

The Music Society of the Eastern Sierra works to achieve the goal of encouraging, sponsoring, and stimulating active participation in the performance of music. The society has given the Mammoth Unified School District music programs invaluable support.

The music society is a contributor to the jazz jubilee jazz camp, a week-long program for young musicians interested in learning to play jazz. Their donations allow students to participate in the popular camp.

Other areas where the music society is a contributor include the Sierra Summer Festival, Mono County Arts Council, Community Chorus ("The Messiah"), Barber-shoppers, Brass Choir, school bands and choruses (instruments, accompanist, financial assistance for students to attend festivals and contests, band T-shirts, and they help provide scholarships for promising high school seniors), and the High Sierra Music Theater. *MLJ*

# Special Needs

We are continuing to make every effort to meet all of our guests' needs, including those of the physically challenged.

At the Yard Site, there is a toilet equipped for the handicapped, and the entryway is partially paved. Several sites, including the Bear Pit and Grumpy's Tent, also provide paved walkways for wheelchair access. Additionally, handicapped toilets are being placed at Grumpy's Tent and the Bear Pit.

A limited amount of handicapped parking spots will be provided, look carefully for them. Please note that the Canyon, the Woods, and the Church sites all have sawdust surfaces which may make walking more difficult for some handicapped guests. The sawdust surfaces are also more difficult for those in wheelchairs.

And for all you weary guests, check out a very special feature at the Canyon Site, massage chair with professional masseuse! Stop in for a quick back rub or foot massage. Be sure to sign up for this 10-minute treat.

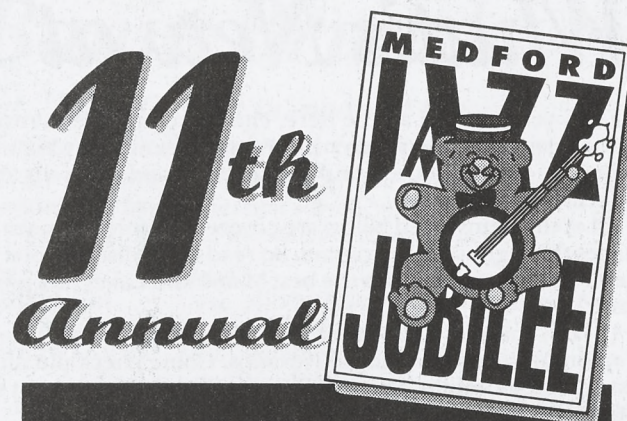

Cyclists' needs are again being addressed this year. Look for bike racks at many of the sites. Be sure to bring your own locking devices. *MLJJ*

## Temple of Folly

Mammoth Lakes, California

**Ken Coulter** ..... Co-Leader, Drums  
**Elliott Thompson** ..... Co-Leader, Trombone  
**Don Rice** ..... Reeds  
**Dave Koonse** ..... Guitar  
**Flip Oakes** ..... Trumpet  
**Bill Hunter** ..... Piano  
**Isla Echinger** ..... Bass  
**Betty Bennett** ..... Vocals

Temple of Folly is the host band of the Mammoth Lakes Jazz Jubilee and the reason Elliott and Thelma Thompson started the Jubilee way back in 1989. You see, Elliott just wanted a great place to play. He sure got that!

Thompson and jubilee co-director Ken Coulter are the only locals left; but they have brought in some old friends and great players (all of whom have played with name bands) to form this exciting group.

With the addition of former South Market Street players Bill Hunter and Flip Oakes to the all-stars Dave Koonse, Don Rice, and Isla Echinger, this is a solid, swinging band. The talented voice of Betty Bennett is just frosting on the cake. This must-see group is not your normal host band.

Be sure to stop by their special sets: Friday's Duke Ellington set, Saturday's Count Basie set, along with Brass Blast, plus a Sunday performance with Ken's daughter Beth Chorneau.

Like any good host — Temple of Folly guarantees a foot-stomping, hand-clapping good time!

## Beth Chorneau Fourtet

Charlotte, North Carolina

**Beth Chorneau** ..... Leader, Vocals  
**Jim Brock** ..... Percussion, Drums  
**Mark Stallings** ..... Piano  
**Van Sachs** ..... Guitar, Bass

Since the early 1990s, Beth Chorneau and her band have become a jubilee favorite here in Mammoth. What started out as a trio has grown to four and sometimes more players — each dazzling and talented in their own right.

Beth began performing in Southern California, where she grew up singing and learning dozens of jazz standards while listening to her father's (Mammoth Lakes Jazz Jubilee co-director Ken Coulter) Sarah Vaughan and Ella Fitzgerald records. She branched out, singing in rock 'n' roll bands and even had a short stint in a country band.

For the last 10-plus years, however, Beth has dedicated her talents exclusively to jazz, and has become the premiere jazz vocalist in her hometown of Charlotte, North Carolina.

With husband, Jim Brock, on drums, Mark Stallings on piano, and Van Sachs handling the guitar and bass, the Beth Chorneau Fourtet is a tight jazz ensemble. Don't miss Beth's special set with Temple of Folly on Sunday.

The Beth Chorneau Fourtet has been awarded the honor of being "Best Jazz Band in Charlotte," and Beth the "Top Female Vocalist in Charlotte."

With a varied collection of music from the 1920s to present day, Bill Allred's Classic Jazz plays big band, little band, traditional, Dixie, swing, and straight ahead with great arrangements from Matty Matlock to Doc Severinson. There is no denying it, this is an awesome swinging band!

 Tony Ardito ..... Trumpet  
 John Hall ..... Drums  
 Bob McKewen ..... Reeds

Through the years, Chicago Six has become a staple here at the Mammoth Lakes Jubilee, and they are recognized as one of the most popular returning bands. The band hails from Cardiff, a town just north of San Diego.

A swinging group of musicians, Chicago Six has been together for more than 14 years. They first started playing as a pickup band to fill in on Friday Dixie-style nights at a north coast music club.

Their distinctive style has its roots in Chicago jazz, which, when they're really cooking, has made them one of the country's most respected swing-Dixie bands. Many of the talented members are veterans of some of the most well known jazz organizations in the country, including Stan Kenton, Woody Herman, Muggsy Spanier, Bobby Hackett and Tex Beneke.

One of this band's most popular sets is called Precocious Percussion and it happens on Friday evening. They will also perform a "semi-gospel" set on Sunday.

Igor's Alumni-Reunion Band, formerly the artists known as Igor's Jazz Cowboys, joyfully returns to Mammoth Lakes after missing last year's 10th. Their unique blend of Western Swing and Dixieland made them one of the most-popular and unusual bands on the Jazz Festival circuit — and you can bet this alum/reunion band will produce much of the same.

Expect Igor and pals to delight fans with high-energy performances featuring the four-octave vocal styling of the "good guy in the white hat" himself — Igor.

For this special added attraction to the 1999 Mammoth Lakes Jazz Jubilee, Igor reunites both current and former members of this eclectic group of road musicians.

# Kinda Dixie Jazz Band

Las Vegas, Nevada

Jim Fitzgerald ..... Leader,  
Trombone, Bass, Vocals  
Greg Neer ..... Trumpet  
Ty Lemley ..... Bass, Guitar, Vocals  
Steve Johnson ..... Reeds, Vocals  
Dan Ellis ..... Piano, Vocals  
Paul Testa ..... Drums

When the music of old New Orleans meets up with the spirit of old Las Vegas, a lot of folks find the result kinda irresistible.

The Kinda Dixie Jazz Band (once known as Sorta Dixie) plays its namesake music authentically enough to travel to Dixieland jazz festivals, but the group would admit that its heritage lies not on Bourbon Street but in Las Vegas lounges.

Leader and trombonist Jim Fitzgerald believes the success of the band lies in the fact that it isn't just traditional Dixieland, but has evolved to a lot more four-part vocals and standards arranged for groups such as the Four Freshman and the Ink Spots.

The six-piece band has more than 350 arrangements in its songbook and ample opportunity to play them. For 10 years they have been the house band at the locals-oriented Gold Coast Hotel and Casino on West Flamingo Road in Las Vegas.

Mammoth is kinda excited as it welcomes Kinda Dixie back to its Jazz Jubilee.

# Youth/Jazz Camp Band

Many local-area students, as well as youth from as far away as Arizona, Idaho, Oregon and Utah participated in the annual Mammoth Lakes Jazz Camp July 4-11. The weeklong camp will culminate in several Youth/Jazz Camp Band performances followed by a graduation ceremony at the 1999 jazz jubilee.

The jazz workshop gives them hands-on experience and training with some of the jubilee's top professionals.

## Mr. Jack Daniel's Original Silver Cornet Band

Lynchburg, Tennessee

**Jennifer Kummer** ..... **Alto Horn**  
**Steve Carruthers** ..... **Baritone Horn, Trombone**

**Shelby Lewis** ..... **Cornet**  
**Gilbert Long** ..... **Tuba**  
**Chris Norton** ..... **Mallets**  
**Danny Coots** ..... **Drums**

An affectionate re-creation of a small town band (Lynchburg, Tenn. Pop. 361) that existed at the turn-of-the-century, Mr. Jack Daniel's Original Silver Cornet Band brings vividly to life the sights and sounds of a vanished era in American musical history via a 13 piece band of professional musicians dedicated to playing the music of the Small Town Bands of over half a century ago.

Unquestionably, the Jack Daniel's band projects technical brilliance.

But perhaps just as important is the fact that the group communicates so much warmth and good feeling. In its unassuming, folksy, ever-so-appealing way, the Jack Daniel's band makes a powerful statement that translates into pure enjoyment.

This year, catch A Fifth of Jack as they collaborate for two special sets with Bob Draga and Jeff Barnhart. The whole band joins Bill Allred and his group for a Saturday morning set at the Woods. And don't miss their Lynchburg Sunday, Christmas in July, Hoagy Charmichael Tunes or Hometown Saturday Night specials.

## New Reformation Band

Saginaw, Michigan

**Dave Oppermann** ..... Leader, Piano  
**Dave Tatrow** ..... Trumpet  
**Dave Miller** ..... Banjo  
**Milt Sernick** ..... Drums  
**Keith DeWitt** ..... Trombone  
**Paul Klinger** ..... Clarinet  
**Frank Steed** ..... Bass

For over 27 years, the New Reformation Band has been delighting audiences from concert halls to cruise ships and all stops in between. Dixieland is their style, and entertainment is their specialty.

Organized in 1970 by a congregational minister to perform just one jazz worship service at a church in Saginaw, the boys created so much excitement among the congregation and the musicians that a "new" reformation of sorts took place.

Word spread of the band's popularity and soon they were being invited to play at jazz festivals, clubs, churches cruise ships and concert stages.

The universal popularity of New Reformation stems from its stable and talented gang of seven musicians, most of whom have been with the band for at least 11 years.

This is second year they will grace the stages of Mammoth. They play everything from New Orleans two-beat to Chicago style four-beat to big band sounds and Swing. This enthusiastic and witty group of guys will provide a most memorable musical experience.

Stop by for their gospel set Sunday morning at the Church Site.

**Thom Mason** ..... Reeds  
**George Olson** ..... Bass  
**Lance MacLean** ..... Banjo, Guitar  
**Paul Reid** ..... Piano  
**Larry Kostka** ..... Drums

The Night Blooming Jazzmen return to Mammoth with fresh-sounding jazz and entertaining styles. Those familiar with this wonderfully funny band may have seen them at the Sacramento Dixieland Jubilee, where they first played in 1975 as an ad hoc band representing the influential Southern California club, the Society for the Preservation of Dixieland Jazz. Not only was this band asked to return the following year, it has been performing at the Sacramento festival ever since.

The band's style ranges from traditional to early swing, with side trips into Sousa marches and gospel music. Leader Chet has a reputation as a very funny, deadpan MC, and the whole band enters in on the hilarious and spontaneous shenanigans.

Their Hymn-a-Long on Sunday morning is a must-do for everyone.

This is the first year we welcome the Phil Norman Tentet to our jubilee here in Mammoth Lakes.

Formed in 1995 when a club owner asked Phil to get together some players to fill in for another band that had canceled, the Phil Norman Tentet came together with top of the line musicians. They have combined forces with the best arrangers using popular tunes that haven't been overexposed. The formula makes for the some of the most incredible music in West Coast Jazz.

Diversity is key with this band — they play everything from swing, bebop and concert to fusion and salsa.

If you haven't seen this group of super talents, be sure to stop by one or more of their performances in and around the Mammoth arena.

## See You in the Next Millennium: Jazz 2000!

We hope to see you back in the year 2000 for our special turn-of-the-century Mammoth Lakes Jazz Jubilee.

When? July 13-16, 2000.

Who will be here? You will see many of the bands from our great 1999 lineup, plus several hot new jazz ensembles.

Remember, it's easy and fun to get "hooked on jazz." *MLJ*

## The Professors

Everywhere, USA

Bill Dendle ..... Leader, Trombone  
 Fast Eddie Erickson ..... Banjo  
 Ed Metz Jr. .... Drums  
 Rusty Stiers ..... Trumpet  
 Jim Buchmann ..... Reeds  
 Dave Gannett ..... Bass, Tuba  
 Jason Wanner ..... Piano

This will be the third appearance of a creatively formed band called the Professors. Made up entirely of teachers from the fifth annual Mammoth Lakes Jazz Jubilee Camp, the Professors is led by camp administrator Bill Dendle along with Fast Eddie Erickson, Ed Metz Jr., Rusty Stiers, Jim Buchmann, Dave Gannett and Jason Wanner.

"In the past, camp instructors hailed from various bands. It made scheduling very difficult because the jubilee's youth band is made up of camp participants," Jubilee Co-Director Ken Coulter explained. "Two years ago, we decided instructors could not be in a separate band so we formed a new one." The one exception is Ed Metz Jr. of Tom Hook's Swing Cats. The success of the Professors was instantaneous.

With so much talent and experience, they will surely bring the house down.

## Rhythm Cats

Napa, California  
**Alan Parks** Leader Bass, Tuba  
**Jim Adamson**, Guitar, Banjo, Vocals

The Rhythm Cats are an upbeat, high-energy, musical duo who dabble in several styles of music, including jazz, Dixieland, classical, country, folk, contemporary and even rock. Toss in some Vaudeville and a lot of humor and you've got one versatile band.

Formed in 1994, they have performed their own brand of music all over the western U.S.

Audience participation is a key element in every performance. Don't be surprised to find yourself getting into the act, such as during the Cats' renditions of "All of Me" and "Chattanooga Choo, Choo." Kids love "Itsy, Bitsy Spider" and everyone sings along when the boys play "Margaritaville."

Parks and Adamson have 40 years of friendship between them (Jim has known Alan for 20 years and vice versa!). Together they put on one heck of a whiz-bang show. When the Rhythm Cats are jammin', a good time will be had by all.

We welcome the Rhythm Cats to their second Mammoth Lakes Jazz Jubilee, where they will be performing at several bars and restaurants around town.

## Ryan's Raiders

Morro Bay, California

**Gary Ryan**  
 Leader, Banjo  
 Phil Smith, Reeds  
 Tom Shader, Bass

Returning for the third year in a row, Ryan's Raiders are "roving ambassadors" for the Mammoth Lakes Jazz Jubilee and have already been accused of "working without a net" (because Annette only works with Frankie Avalon!).

Their "request" style allows the fans to hear songs that sometimes are overlooked, and these guys play anything. Truly innovative, with superb musical abilities and a wide-open approach to entertaining, the Raiders offer a unique addition to the festival line-up.

Check out their first CD, as well as sets at Canyon, Grumpy's tent, and various restaurants about town.

Energetic, entertaining and exciting can best describe the Side Street Strutters, who make their third appearance here in Mammoth this year. Many people may have caught their act at Disneyland or perhaps heard that they gave a special performance for former President Ronald Reagan.

The seven-member crowd-pleasing band is based in southern California (yep, at Disneyland). ## Tom Hook and the Swing Cats Ball

Everywhere, USA

**Tom Hook** ..... Leader, Piano, Vocals  
**Ed Metz, Jr.** ..... Drums  
**Dave Poe** ..... Sax, Vocals  
**Bobby Durham** ..... Bass  
**Marty Crum** ..... Guitar

All across America the swinging sounds of the forties are back and Tom Hook and the Swing Cats Ball are thrilled! Jump-Jive is once again taking the nation by storm with small band sounds like Louis Jordan and Louis Prima. Swing is the thing and it's filling dance clubs on both coasts.

The Swing Cats Ball is really an offshoot of The Black Dogs, a longtime Mammoth favorite. This group of dedicated professionals has been performing traditional jazz all over the country and the world for close to 10 years. They've got several recorded albums, European tours and even a tour in China on their impressive resume.

Jump-Jive has always been a key ingredient to the success of this group, and now that it is once again "en vogue" the band is poised to entertain a whole new generation of jitterbugs.

Don't miss this crew of dynamic young musicians who swing hard, rock steady and drive everyone out of their seats and onto the dance floor. Their presence will surely be felt at the Goodbye '99 party at Grumpy's Tent on Sunday night.

Enthusiastic and creative, the Wooden Nickel Jass Band is a group of young musicians who truly love to play traditional jazz.

This exciting band takes old standard tunes and runs them through its creative filters. The results often even shock the band members themselves.
